## EFES/ECORYS-CASE-LOWITZSCH

Dear Mrs. Joachimowicz, Dear Mr. Berenboom,

we acknowledge the receipt of your letter from 17. March 2015. We would like to answer your question as follows:

1. Website of Intercentar

The screenshots which you have sent aren't up to date. Meanwhile the deletion was made, but not by the Freie Universität Berlin. The Freie Universität Berlin is not responsible for the website and the Freie Universität Berlin is not mentioned in the imprint of the website.

2. Professor Lowitzsch

Professor Lowitzsch leads an inter-university center. The Freie Universität Berlin is a member of this center.

3. Cooperation between the Freie Universität Berlin and the Europa-Universität Viadrina Frankfurt (Oder)

Concerning the center mentioned under point 2, there indeed exists a scientific collaboration between the Freie Universität Berlin and the Europa-Universität Viadrina Frankfurt (Oder) and other universities.

Yours sincerely  
Dück
